I. Purpose

The purpose of the Scholarship Program of the Hispanic Educational, Cultural, and Scholarship Fund, Inc. (Hispanic ECS Fund), a 501 (c) (3) not-for-profit corporation, is to promote and advance Hispanics in the Greater St. Louis region. The scholarship program rewards academic achievement by providing funding for higher education.

II. Scholarship Program Overview

The Hispanic Educational, Cultural, and Scholarship Fund Scholarship Program is funded through the organization's Learning Fund and the annual operating budget. The Hispanic Educational, Cultural, and Scholarship Fund awards and disburses the money to Hispanic students who attend an accredited college, university or institution of higher learning.

A. Scholarships to be Offered

Each year, the Board of Directors determines the number of scholarships to be awarded and their amount. The Board has decided that up to seven (7) Hispanic ECS Fund scholarships of one thousand dollars (\$1,000) will be offered during 2019.

- *Hispanic Educational, Cultural and Scholarship Fund Scholarship*

B. Eligibility

Scholarship funds are awarded each year to Hispanic students residing permanently in the Greater St. Louis region who intend to enroll at a college, university or other institution of higher learning for the following fall semester.

The Greater St. Louis region is the bi-state region comprised of: the City of St. Louis; the seven Missouri counties of Franklin, Jefferson, Lincoln, St. Charles, St. Louis, Warren, and Washington; and the eight Illinois counties of Bond, Calhoun, Clinton, Jersey, Macoupin, Madison, Monroe, and St. Clair.

Applicants must not be related to any of the members of the board of directors of Hispanic ECS Fund.

The following are application guidelines:

1. Applicants are Hispanic/Latino (at least one grandparent must have been Hispanic/Latino).
2. For the Hispanic ECS Fund, an applicant must be a permanent resident of the St. Louis region.
3. International students attending a higher education institution in the region are not eligible.
4. Students residing in the St. Louis region because they are studying in the area but who reside outside of the region when not in school are not eligible for the scholarship.
5. Applicants are seeking an associate, baccalaureate or graduate degree at a not-for-profit, accredited college/university, or a diploma or certification from a not-for-profit, trade or vocational school.
6. Applicants have a minimum cumulative grade average of B (3.0 GPA on a 4.0 scale) on all prior work attempted in high school and/or college, as applicable.
7. Applicants are accepted or enrolled in an accredited college, university or institution of higher learning in the United States as a degree-seeking student by May 15.
8. Applicants must be full-time students: must be enrolled and take at least twelve (12) credit hours a semester.

The selection process for scholarship candidates is competitive, and scholarship funds are awarded by the Hispanic ECS Fund without regard to financial need.

C. General Guidelines

The following guidelines apply to the recipient of a scholarship:

1. The scholarship check must be cashed no later than ninety (90) days after it is issued.
2. The scholarship money must be used for education related expenses as the recipient deems necessary.
3. Previous scholarship recipients are eligible to reapply for further scholarship award by submitting a current application according to the eligibility and guidelines as applicable.
4. After receiving the scholarship, recipients must report back to Hispanic ECS Fund about the use of their award via e-mail or letter. If the recipient does not report the use of funds, he/she will not be eligible to win another scholarship subsequently.
5. Scholarship recipients will not be eligible to reapply for another scholarship if they:
 - a. Deliberately provided or provide false information
 - b. Fail to return to, drop out from or are dismissed by the institution of higher learning
 - c. Have used the scholarship funds in an illegal or improper manner
 - d. Have exhibited unacceptable conduct
 - e. The Hispanic ECS Fund may decide not to award a scholarship to a prior recipient for reasons deemed just by the Fund.

III. Award Process

Scholarship decisions are based on the Hispanic Educational, Cultural, and Scholarship Fund's Scholarship Evaluation Council assessment of an applicant's previous academic background and other criteria. Applicants will be considered for scholarship based upon an indicator derived from the applicant's academic grades in high school or college/university as the case might be. Academic scholarship decisions are made based on this comparative index.

If a talent recommendation has been submitted, the Hispanic ECS Fund's scholarship decision will be based on the academic index, with consideration given to the evaluation of the applicant's talent.

If a service and/or volunteer recommendation have been submitted, the Hispanic ECS Fund's scholarship decision will be based on the academic index, with consideration given to the evaluation of the applicant's service and/or volunteer activities.

IV. Award Notification

A scholarship applicant receives written notification of the Hispanic Educational, Cultural, and Scholarship Fund's decision. A student who is awarded a Hispanic ECS Fund scholarship receives a letter that details the amount, eligibility requirements for the disbursement of money, and the conditions for reapplying. Hispanic Educational, Cultural, and Scholarship Fund scholarships are awarded directly to the applicant at a time, date, and place determined by the Board of Directors every year. The scholarship for academic year 2019-20 is scheduled to be presented on **Friday, July 26, 2019** at St. Louis Community College at Forest Park.
